

#0199

G-P Concentrate

GENERAL PURPOSE CLEANER LIQUID DETERGENT

DESCRIPTION:

G-P CONCENTRATE is a red viscous detergent with a pH of 9.5. Mild synthetic and biodegradable. 100% Active and miscible in water.

WHAT DOES IT DO?

Use with any cleaning method – wipe, spray, soak or scrub, WITH or WITHOUT brush, pad, or abrasive aid and WITH or WITHOUT rinsing. The longer the contact with soil, the more efficient the removal will be.

WHY IS IT USED?

Change the dilution ratio with water to suit YOU and the JOB. Gentle. Efficient results at low cost. General maintenance cleaning is accomplished with one product rather than many (saves inventory dollars). G-P CONCENTRATE contains no hazardous or harsh ingredients. Not harmed by freezing.

FOR USE ON:

Any surface not normally harmed by water.

Plastic

Marble

Chrome

Leather

Quarry Tiles

Painted Surfaces

Terrazzo

Porcelain

Venetian Blind

HOW IS IT USED?

Floor Cleaning: For light cleaning use 1 oz. per gallon of water; for normal cleaning use 2-4 oz. per gallon; for heavy duty cleaning use 4-8 oz. per gallon

Walls, Ceilings: 2 oz. per gallon water

Mix solution with water and apply to surface. Agitate or wipe away soils using brush, pad, mop or wiping cloth. No rinse required. NOTE: If using for scrubbing with the intent of refinishing the floors, a water rinse is recommended before applying floor finish.

PACKAGING:

Available in CLOSED LOOP, 1 gallon, 5 gallon, 30 gallon and 55 gallon containers.
