WHAT DOES IT DO?

WHY IS IT USED?

Not only does MAHOGANY LANE enhance the beauty of wood surfaces, it also protects against water spills, stains and ordinary wear.

HOW IS IT USED?

Directions:

1. Shake vigorously for one minute after mixing ball begins to rattle.
2. Remove cap and hold container 6-8 inches from surface being sprayed.
3. Spray lightly and wipe immediately with a soft clean cloth.

NOTICE: Do not get spray, mist, or polish on walked-upon surfaces, they could become slippery, especially when wet. This product contains natural wax that can clog nozzle if sprayed cold so only use it at room temperature.

For antiques and pieces where the finishing process may be old or unknown, test on an inconspicuous surface area first.
