New Special Effects

SAFER-CHOICE ENVIRONMENTALLY FRIENDLY FLOOR FINISH

DESCRIPTION:

When your floor needs a special look, apply NEW SPECIAL EFFECTS, recognized for safer chemistry by the U.S. EPA's Safer Choice program. NEW SPECIAL EFFECTS will help you achieve your "green cleaning" goals.

- Low odor
- Contains no zinc or other heavy metals
- Complies with CARB and National VOC standards
- APEO-Free (Alkylphenol Ethoxylates) & Phthalate-Free

WHAT DOES IT DO?

NEW SPECIAL EFFECTS has excellent soil resistance and provides a durable finish that can be maintained with standard scrub and re-coat procedures, spray buffing and high speed burnishing. NEW SPECIAL EFFECTS is for all resilient floors:

- | | | |
|-----------|------------------|------------|
| • Vinyl | • Vinyl Asbestos | • Rubber |
| • Asphalt | • Concrete | • Linoleum |
| • Tile | • Marble | • Terrazzo |

HOW IS IT USED?

1. FLOOR PREPARATION: For best results, floor should be stripped of all old finishes before applying NEW SPECIAL EFFECTS.
 - a. Use floor stripper #0166 HYPER STRIP, #0168 MELTDOWN or #0169 BREAKAWAY in hot water for best results.
 - b. Machine scrub with black stripping pad.
 - c. Pick up old finish with wet vacuum.
 - d. Immediately rinse floor with neutralizer and follow with 2 fresh water rinses.
2. APPLICATION: Use only new wax mops (soaked in cold water) with clean buckets/wringers.
 - a. Apply 4-5 coats (to unsealed floor) evenly using medium to thin coats.
 - b. Allow floor to dry thoroughly, 30 minutes dry time between coats.
 - i. In extremely humid weather conditions, it is recommended that a dry time of 2 hours or more be allowed to avoid tearing the finish.

Coverage is 1,500-2,500 square feet per gallon.

Maintenance

1. DUST MOP DAILY.
2. DAMP MOP THE FLOOR – NEW SPECIAL EFFECTS can be damp mopped with a neutral cleaner such as #0185 MAGNIFICENT SEVEN or machine scrubbed with #0199 G-P CONCENTRATE or any of Alco's quality disinfectants without harming the finish.
3. SPRAY AND DRY BUFFING – NEW SPECIAL EFFECTS can be buffed for removal of scuffs and traffic marks. For light soil areas, dry buffing is sufficient; for areas such as entrances and stairways, use #0191 BEYOND solution.

PACKAGING:

This product is available in 5 gallon pails.
