Silver Lining

OIL-BASED STAINLESS STEEL POLISH

DESCRIPTION:

SILVER LINING is oil-based and cleans, polishes and protects all metal surfaces.

WHAT DOES IT DO?

SILVER LINING Cleans, polishes, preserves and protects stainless steel without hard rubbing and polishing. This product makes surfaces resistant to finger prints, grease and water spatter and helps preserve the factory finish.

WHY IS IT USED?

SILVER LINING can be used in environments such as kitchens, appliances, washroom fixtures, restaurant and institutional equipment, drinking fountains, decorative metal surfaces, elevator doors, waste paper receptacles. NOTE: This product is not to be used on cooking utensils, such as, pots, pans, knives, forks and spoons.

HOW IS IT USED?

1. Shake well before using.
2. Hold can upright.
3. Press button and spray small area until wet.
4. Clean with one cloth and polish with clean, dry cloth.
5. The gloss is renewed and will be retained.
6. No rubbing required.

PACKAGING:

SILVER LINING is available in 20 oz. aerosol cans. 12 cans/case.
