Beyond

FLOOR CLEANER & RESTORER IN ONE

DESCRIPTION:

BEYOND is a concentrated cleaner and restorer with specialty conditioners combined into one convenient product.

WHAT DOES IT DO?

Specially formulated to clean and repair scratches in worn finish areas. Once applied, BEYOND will leave a micro-base of resins and wetting agents to achieve the “wet look” on floors when buffed at high speed. Also an excellent conditioner on rubber flooring.

WHY IS IT USED?

BEYOND is a great choice for schools and contractors. It lowers costs and is perfect as a budget-friendly maintenance solution. It is low odor and specially formulated for use with our bestselling floor finish INFINITY #0444.

HOW IS IT USED?

1. Dust mop floor.
2. Fill automatic scrubber or mop bucket with 2oz-6oz of BEYOND based on a degree of cleaning and restoring required by floor condition.
3. Apply solution to floor.
4. Dry buff floor with high speed buffer to a brilliant shine.

PACKAGING:

BEYOND is available in 1 gallon and 5 gallon containers.
