

Solutions for a Cleaner Environment

Introducing: ALCO's Closed Loop Laundry Line

ALCO-Chem, Inc. is a family-owned cleaning manufacturer and distributor based out of Akron, OH with over 54 years of experience. We provide quality laundry products, professional dispensing equipment and exceptional service always with your budget in mind. We understand keeping your linens clean while saving time and money is a detail you cannot afford to overlook. **Let us lighten your load with our NEW Closed Loop Laundry Line!**

Liquid Laundry Suds
#0290-CL5: Multi-surfactant blend detergent designed to quickly suspend soils, producing cleaner and brighter fabrics with highly concentrated formula cost savings. Great for both top load or automated dilution systems.

D-Stain
#0230-CL5: Concentrated, chlorine-based destainer formulated to restore the whiteness and brightness of fabrics while aiding in the removal of tough stains. Helps extend linen use life.

Bio-Enzyme Laundry Detergent
#0280-CL5: Premium blend of high performance surfactants and fast acting enzymes that rapidly break down and remove stubborn stains and soils. Fabrics instantly look cleaner and brighter.

Liquid Laundry Sour
#0215-CL5: Designed to neutralize an alkaline pH of the washed fabrics during the final rinse cycle. Provides excellent rust removal while also working to eliminate the graying or yellowing of fabric.

Built Detergent
#0265-CL5: Highly concentrated and efficient, multi-surfactant blend detergent and alkaline builder all-in-one. Disperses even the toughest of soils, including oils and food stains.

Liquid Laundry Soft Touch
#0211-CL5: Highly concentrated fabric softener formulated to eliminate static cling and leave fabrics feeling soft and smelling fresh. Eases laundry processing to reduce wrinkles and fiber damage.

Liquid Laundry Break
#0275-CL5: High-performance and highly concentrated laundry builder formulated for on-premise laundry systems. Increases the alkalinity of the wash water in order to maximize soil removal.

Benefits of Closed Loop Dispensing:

- ✓ Proper Dilution - Every Time.
- ✓ Properly Diluted Product Work Efficiently, Saving Time & Money.
- ✓ Limits Chemical Handling - Non-spill, Safer for Staff!
