Alco Deluxe

POWDER LAUNDRY DETERGENT

DESCRIPTION:

An economical, commercial laundry detergent formulated for institutional or top loading laundry machines.

BENEFITS:

- Affordable and cost-effective for schools, health clubs, assisted living facilities and restaurants
- Safe on personals, terry, tablecloths
- Ideal for use in top-loading and commercial washers
- Designed for light duty soils

DIRECTIONS FOR USE:

Commercial Washing Machines:

1. Use 3 - 4 oz. detergent to 50 lbs. of dry laundry.

Top Loading Washing Machines:

1. Add 2 - 3 oz. of detergent to washing machine.
2. Fill using hot water for cottons, diapers, and solid white towels. Use warm water for synthetic and bright colored fabrics.
3. Add dry laundry. Do not pour detergent directly onto fabric.

Store in cool dry area.
