DESCRIPTION:

FRESH SCENT is a dry air and fabric deodorant and odor neutralizer with a fresh, clean linen fragrance that is safe and easy to use.

WHAT DOES IT DO?

FRESH SCENT does not just cover up odors, it destroys them! These include odors such as smoke, decay, urine, feces, solvent, gas, vomit, cooking, animal and more. FRESH SCENT uses new technology that allows for a finely atomized DRY spray. 100% of the fragrance is available instantly to deodorize and freshen every cubic inch of the room. The dryness of the spray allows for complete deodorization without messy fallout, residues, wetting or staining.

WHY IS IT USED?

FRESH SCENT can be used almost anywhere to freshen & deodorize bathrooms, kitchens, offices, sick rooms, hotels, auto interiors, closets, lockers, chests, showers and around garbage receptacles. This product is used by many leading hotels, motels, restaurants, hospitals, apartments, recreation centers, schools, nurseries, fitness centers, animal clinics and nursing homes.

HOW IS IT USED?

GENERAL: No shaking necessary. Press firmly on spray button and keep spray opening at least 12 inches from surfaces.

TO FRESHEN THE AIR: Aim spray toward ceiling and corners of room or other area to be treated. The atomized mist will quickly travel throughout the area.
