Liquid Car Wash Concentrate

FAST, COMPLETE FOR AUTOMATIC MACHINERY OR MANUAL USE

DESCRIPTION:

LIQUID CAR WASH CONCENTRATE is a highly economical detergent for automatic or manual car washing. This product gets the dry film others miss, tones up dull finishes and won't attack wax.

BENEFITS:

- Long lasting suds. Suds will regenerate with agitation of solution.
- Highly concentrated - economical
- One gallon can make up to 400 gallons of car wash solution.
- Easy on the hands. No caustics. No acids. No abrasives. Won't attack aluminum, chrome, or stainless steel.
- Brings back dull automotive finishes.

HOW IS IT USED?

Suds and cleaning power should be adjusted to suit your equipment and your own requirements. Here are suggested dilutions most used:

- REGULAR DUTY: 2 oz per 5 gl of water.
- MEDIUM DUTY: 4 oz per 5 gl of water.
- HEAVY DUTY – INCLUDING TRUCK: 6 oz per 5 gl of water.

Suitable for hand use, power brush, pressure, and proportioning equipment.

After rinsing with clear water, wipe or air-dry.

PACKAGING:

This product is available in 1 gallon, 4-1 gallon/case, 5 gallon pail and 55 gallon containers.
