

Solutions for a Cleaner Environment

Mobile Hand Washing Stations

No Water Hookup Required.

A convenient way to clean hands, the mobile hand washing station is ideal for applications such as education, healthcare or any other environment that requires frequent hand washing but doesn't have an available water hookup. With a standard outlet, these stations provide up to 70 heated washes and can be customized for any need using several available options.

Benefits

Heavy-Duty

Durable stainless steel construction is easy to clean and keep sanitary

Portable

5" casters allow station to be moved easily and efficiently

Simple

Easily plug the 120V GFCI cord into an outlet and fill the fresh water tank

Self-Contained

No water installation or drainage hose required

Hot or cold water available

Lead free faucet and soap dispenser included

(2) Stainless steel doors included

21" Stainless Steel backsplash and sidesplashes

S900 San Jamar Manual Soap dispenser

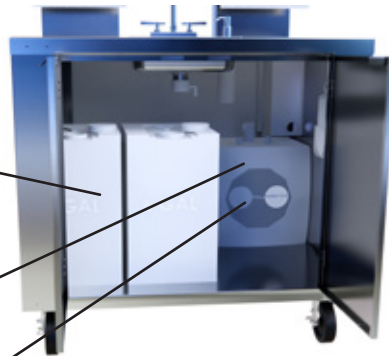

T1750 San Jamar Ultrafold Multifold/C-Fold Towel dispenser

(2) Removable 5 gal fresh water tanks and (2) removable 6 gal waste water tanks
