

Solutions for a Cleaner Environment

#0390-5

# Pink Beads

MULTI-PURPOSE BEADED DETERGENT FOR MANUAL WASHING & PRESOAKING

### DESCRIPTION:

PINK BEADS is a pleasantly scented, pink detergent for cleaning of pots, pans, dishes, glasses, and kitchen utensils.

### WHY IS IT USED?

It provides rich, long-lasting suds and excellent water conditioning to quickly remove grease, protein and other food soils. An economical solution of PINK BEADS (just 1 ounce per 3 gallons of water) rinses free to leave all glasses, silver and dishes sparkling. Spray dried for high bulk. This product is sold by the pound but used by volume and therefore provides excellent cost control.

### HOW IS IT USED?

1. Pre-flush ware to be cleaned. Lukewarm water works best.
2. Wash in a solution of 1 ounce PINK BEADS to 3 gallons of warm water (110°-120°F) in Tank #1 of your three sink.
3. Rinse with clean water. (Tank #2)
4. Sanitize using SANNI-RINSE #0360 at 200 PPM. (Tank #3)
5. Air dry, never towel.

### PACKAGING:

PINK BEADS is available in a 50 lb. box.
