Keep your surfaces safe to touch.

Sanitizing Wipe Kit

- Easily add a wet wipe to your existing cleaning regimen, the kit utilizes whatever cleaning solution you already use.
- Control how saturated the wipes become based on your cleaner and application.
- Reusable bucket has an airtight lid to keep your wipes saturated, avoid contamination and reduce staff exposure to the chemicals.
- Wipers easily absorb the cleaning solution while remaining durable to handle your daily cleaning needs.
- Each coreless roll pulls from the center – perfect for feeding wipers through the sanitizing kit bucket lid.
- Ideal for surface cleaning and sanitizing as well as removing soil, oil and grease.

Not recommended for bleach based solutions.

Sanitizing Wipe Kit

The simple to use kit is as easy as ...

1 Load the dry wiper roll into the re-usable bucket.

2 Pour your chosen cleaning solution over the roll of wipers.

3 Thread the first wiper through the lid and close.

Turn your favorite cleaning and disinfecting products into a convenient wipe.
