

**#1280**

# Sport Tread

**ESPECIALLY FORMULATED FOR SYNTHETIC & RUBBER FLOORS**

## DESCRIPTION:

SPORT TREAD finish contains tough, flexible urethane and acrylic polymers to protect and beautify all floors including vinyl composition, linoleum, stone and rubberized synthetic sports floors.

## WHY IS IT USED?

SPORT TREAD is specially made for synthetic and rubber floors. Its unique chemical structure stays flexible, repels soil and maintains a high gloss for outstanding durability and beauty. Works as a combination seal and finish, strips easily and repairs with buffing. Meets ASTM D2047 Method for Slip Resistance.

## HOW IS IT USED?

### SYNTHETIC SPORTS FLOOR or RESILIENT FLOOR APPLICATION:

1. Strip floors to remove old waxes, sealers and finishes.
2. Rinse thoroughly #0185 MAGNIFICENT SEVEN neutral cleaner and let dry.
3. With clean equipment apply thin, even coats of finish.
4. Under normal conditions, allow to dry for 30 minutes between coats.
5. For best results, apply a maximum of 4 coats in 24 hours.
  - a. For best results in high traffic locations (such as supermarkets) and entranceways, apply four coats the first night, then follow-up a few days later with four more coats. This gives you the desired film thickness from which to properly maintain your floor.

### DAILY MAINTENANCE:

1. Dust mop frequently to remove gritty soil.
2. Use #0185 MAGNIFICENT SEVEN neutral cleaner to damp mop spills as they occur. Damp mop or auto-scrub (with a red pad) nightly with #0185 MAGNIFICENT SEVEN.
3. Buff if desired with high speed equipment and ultra-high speed pads.

**WEEKLY MAINTENANCE:**

1. To repair and deep clean floor, apply #0195 CLEAN N'SHINE restorer with mop or auto-scrubber (with a red pad).
2. Allow floor to dry.
3. Burnish floor with high speed equipment. This finish also responds to spray buffing with conventional high speed equipment. Note: Dust mop after burnishing or spray buffing.

**PERIODIC RECOATING:**

4. Dust mop entire floor then scrub aggressively using #0195 CLEAN N'SHINE restorer and auto-scrub (with a red or blue pad). Blue for heavily marked or dirty floors.
5. Rinse floor with #0185 MAGNIFICENT SEVEN neutral cleaner and allow to dry.
6. Apply finish. Apply no more than 4 coats in 24 hours.

**COVERAGE: One gallon covers up to 2,500 square feet.**

**PACKAGING:**

SPORT TREAD is available in 5 gallon and 55 gallon containers.
