# Formula 54

THE ULTIMATE READY TO USE SPRAY CLEANER & DEGREASER

## DESCRIPTION:

FORMULA 54 contains an all-natural ingredient for use as a heavy duty cleaner and degreaser on most any washable surface. This no-rinse product is ready to use to remove soil and grease on contact – just spray and wipe. FORMULA 54 is fluorescent yellow in color and has a pH of 10.

## WHAT DOES IT DO?

With its revolutionary surfactant system, FORMULA 54 is designed to spray and remove soil and grease on contact. It is free rinsing and works on most any washable surface.

## WHY IS IT USED?

FORMULA 54 is a non-butyl, nonflammable 'safe for use' degreaser that is formulated with ionic emulsifiers and wetting agents, eliminating the need for multiple specialty products.

## RECOMMENDED USES:

- Walls & Woodwork
- Ceilings & Floors
- Fireplace Fronts
- Machinery & Tools
- Leather & Vinyl
- Stainless Steel
- Exhaust Fans
- Any Metal Ducts
- Patio Furniture
- Whitewall Tires
- Sports Equipment
- Sinks & Ranges
- Counter Tops
- Painted Cabinets
- Refrigerators
- Plastic Tile
- Chrome Fixtures
- Air Filters
- Light Fixtures
- Garage Doors
- Stoves
- Stove Tops
- Ranges/Hoods

FORMULA 54 is ideal for homes, motels, schools, hospitals, hotels, office buildings, institutions, factories, restaurants and cafeterias.

## HOW IS IT USED?

Simply spray on surface to be cleaned and wipe off with a clean damp cloth. For extremely heavy soil, allow spray to remain on surface for 3-5 minutes before wiping. No rinsing is required.

*Note: This product is not recommended for cleaning glass.*

## PACKAGING:

FORMULA 54 is available in 1 quart, 15 gallon and 55 gallon containers.
