## Nature's Plus

**BUILDUP REMOVER, GREASE DIGESTOR & ODOR ELIMINATOR**

### DESCRIPTION:

100% active liquid bacteria. These microbial organisms are designed to digest, liquefy, and clean organic waste, grease & food by-products, paper, detergent, hair, fat, and other wastes. Excellent for maintaining grease traps, pipes, drain lines, garbage disposals, septic systems, lift stations, wet wells, lagoons, and mop sinks. Eliminates foul odors.

### WHAT DOES IT DO?

NATURE'S PLUS digests and liquefies organic compounds including proteins, starches, cellulose and fats, oils and greases from food sources. Reduces suspended solids and eliminates foul odors, resulting in very effective odor control.

### WHY IS IT USED?

NATURE'S PLUS contains a synergized blend of selectively chosen Bacillus organisms, all of which have been selectively adapted for accelerated degradation capabilities of organic compounds. Highly effective eco-benign formulation, product is readily biodegradable. **Phosphate free, non-toxic, non-acid, non-alkaline, non-pathogenic, non-polluting and 100% ecologically safe. Certified salmonella-free by qualified bacteriological testing laboratory quality control.** There is no risk of downstream contamination and will not harm animals or marine life.

### HOW IS IT USED?

This product can be used for: mop sinks, stack vents, garbage disposals, urinals, hand dishwashing sinks, floor drains, laboratory sinks, toilet bowls, refrigerator drains, steam tables and pot sinks.

**Note:** Do not subject product to extremely hot or boiling water, disinfectants, or chlorinated dishwashing products. Do not store above 110°F.

**Initial Drain Line Treatment:** Pour directly into drain lines beginning at lowest floor. Work up one floor per day until entire system has been treated, then treat from top floor only. To establish bacteria colonies in every trouble area, use an increase in prescribed dosage the first month.

Pipe Size	Amount to Use	Frequency
2"	5 ounces	Twice a week
4"	10 ounces	Twice a week
6"	15 ounces	Twice a week
8"	20 ounces	Twice a week

\*Dilution may vary according to application for efficacy. Please read label instructions thoroughly.

\*\*Indicates that a dilution of 9 oz. per gal. of water is required for this claim.

**Grease Traps:** Pour in sink or pipeline closest to grease trap. For traps less than 20 cubic feet capacity, add 4-6 oz. of product daily. This should be done at night or when water will not be run through the drains for a period. After adding, flush down with a cup of lukewarm water. For grease traps larger than 20 cubic feet, add 8-10 oz. daily using same procedure. Check with your municipality for local ordinances related to grease traps and grease interceptors.

**PACKAGING:**

This product is available in 1 quart, 1 gallon, 5 gallon, 30 gallon and 55 gallon containers.
