LUCKILY THERE'S A SOLUTION!

RESCUE #911 SPOT, STAIN & ODOR REMOVER

Use Rescue on carpets and fabrics for removal of stains & odors caused by: blood, urine, coffee & tea, wine, colas, food stuffs, milk, vomit, smoke, iodine, feces, animal odors and mold.

Also for use as: carpet pre-spot and cleaning, laundry pre-soak and pre-spot, and furniture upholstery spot and odor cleaner.

How does Rescue work?

The digestive process of bacteria and enzymes allow this product to eliminate stains and odors. The pleasant fragrance first neutralizes the malodor, then the Bio-Enzymatic action of the specially selected microorganisms digest & destroy the sources. Can be used on most surfaces or material not harmed or stained by water.
