Security

LIQUID HAND SOAP

DESCRIPTION:

SECURITY is a high quality soap, orange in color, with excellent sudsing properties.

WHAT DOES IT DO?

SECURITY attacks dirt, grime and germs on contact, helping to remove unwanted bacteria from hands. It gives the user a secure feeling that their hands are clean.

WHY IS IT USED?

SECURITY resists clogging of soap dispensers and does not cause drain problems making it ideal for commercial use. It can be utilized in hospitals, nursing homes, restaurants, food service operations and more.

HOW IS IT USED?

1. Wet your hands with clean, running water and apply soap
2. Lather your hands by rubbing them together with the soap
 - a. Be sure to get all exposed areas of your hands, including wrists, fingertips and in between fingers
3. Scrub your hands for at least 20 seconds
 - a. Need a time? Hum the "Happy Birthday" tune from beginning to end, twice
4. Rinse your hands well under clean, running water
5. Dry your hands using a clean towel, automated hand dryer or let them air dry

PACKAGING:

SECURITY is available in single gallons, 4-1 gallon cases, or 55 gallon drums.
